**dependent on road conditions and seasonal closures*

- 1) Road-Based Tours is defined as a road-based vehicle tour where the main purpose is transporting clients throughout the park with stops at facilities, services, boardwalks, and developed areas. Stops for non-instructional painting or photography opportunities is authorized under this CUA. Group sizes over 25 people and/or vehicles with a manufactured capacity of 26 passengers or more do not fall under this CUA and must pay the commercial tour fee at the entrance station. For more information on the commercial tour fee program, please visit our website
- 2) Step-on Guide Service is defined as a guide who rides in a visitor's vehicle/tour bus and

performs guide services for sightseeing tours within the park. It is the guide's responsibility to check the clients' proof of auto liability insurance before the trip.

- 3) Shuttle Service is defined as point-to-point pick-up and drop-off of passengers within Yellowstone National Park at designated parking areas, pullouts, and developed areas.
 - a. Guides must obtain prior approval from a concessioner to meet clients on their land assignment.
- 4) There is no limitation on the number of groups a CUA holder can bring into the park per day as long as group sizes are adhered to. Separate groups may not congregate in one area at pullouts, on boardwalks, or on trails.
- 5) Tours may occupy the parking lots or vehicle pull-outs in Hayden Valley and Lamar Valley for a maximum of 2 hours.
- 6) Slow moving vehicles must use roadside turnouts and parking areas to allow free flow of other traffic. Vehicles must not stop in the roadway to allow clients to take pictures or to load and unload passengers.
- 7) Vehicles shall not be left idling in parking areas or park across multiple parking spaces. Loading zones must not be occupied longer than necessary to load and unload passengers
- 8) The CUA holder will provide all visitor services in a manner that is consistent with and supportive of the interpretive themes, goals, and objectives of the park.

I have read and agree to the road-based tour conditions. I hereby confirm all guides and employees operating under this CUA will be trained in and required to follow the conditions listed above.
